Leonard J Paradise Sr. Certified Restorer #94 CMRS, has been assigned several large losses due to the recent hurricanes in the South. Mr. Paradise is being deployed as a consultant on structural building damage for major insurance carriers. It is anticipated that the tour will last several months.

Losses assigned to date are in Louisiana, Alabama, Florida, and Mississippi. Typical damage consists of direct wind from the storm as well as flying debris strikes and interior water damage from storm surge and driving rain.
