Forensic Damage Consultants LLC was assigned by the carrier as project manager for the restoration of Trinity Church, St. Paul's Chapel, a 25 story office building housing the offices of the parish as well as tenants, a six story Pre school and two, million dollar condominiums.

Beginning on the eight day after the attack, Leonard J Paradise Sr. was on site every day working with the Trinity Team on issues. Site analysis of the loss and restoration process saved the insured several million dollars. This was achieved by on site team management to clean and restore all of the insured facilities in conjunction with the Carrier
